Effective May 5

Incomplete—An incomplete should be used when a student has been absent for an extended period of time within a grading period.

Grace Period— The seven day window following the snapshot dates listed above. The purpose of a grace period is to provide a student with an incomplete the opportunity to turn work in for original credit. Any changes to grades during this window must be followed with a grade change form.

Grade Change Form—Must be completed for any grade that changes after the snapshot date.
